EARTHQUAKE DISASTER IN TURKEY

THE DEPUTY CHAIRMAN: Special mentions.

SHRI SUBRAMANIAN SWAMY (Uttar Pradesh): I have a small point? It is of great constitutional significance.

THE DEPUTY CHAIRMAN: I will allow.

श्री सुरेन्द्रजीत सिंह अहलुवालिया, (बिहार): रक्षा मंत्री जी किस वक्त स्टेटमेंट देंगे?

SHRIMATI JAYANTHI NATARAJAN (Tamil Nadu): I have been waiting for a statement from the Government since yesterday, clarifying the position.

THE DEPUTY CHAIRMAN: I will find out from the Secretariat and let you know. I will inform the House.

SHRI KAPIL VERMA (Uttar Pradesh): Madam, in the first earthquake in Turkey more than 1000 people died. The second earthquake has also caused a lot of devastation. More than 5,000 people have died. Madam, we have had very old relations with Turkey. We have drawn inspiration from Kamal Ataturk. When we had earthquake in Uttarkashi we know the sufferings of the people. I will request the Government to do something about this. The House should express sympathy and send condolences to the people of Turkey. We have had very old relations with those people. We should not rest content only with expressing sympathies, we should do something more. We should send some medical supplies, some funds, and the voluntary organisations should do something. I hope the Minister will kindly respond to this and assure the House that he will do something and... *(Interruptions)*.

SHRI SURESH KALMADI (Maharashtra): The whole House associates with this.

SHRI MENTAY PADMANABHAM (Andhra Pradesh): This is a very important question. The entire domocratic system is in peril. The Government is deliberately engineering the split in all the parties in this country. They are engineering the defection *(Interruptions)*.

SHRI SURESH KALMADI: It was raised in Lok Sabha. It is over now.

SHRI MENTAY PADMANABHAM: It is not over. Who are you to say that it is over? To my great surprise and agony, even the Prime Minister is directly involved in this.

THE DEPUTY CHAIRMAN: Just a minute. *(Interruptions)*. Will you please take your seat? Let me first find out because a Member on my right made an appeal that there is an earthquake in Turkey. I thought you are saying about that. This is wrong. *(Interruptions)*. Your Mr. Jaipal Reddy supported this. *(Interruptions)*.

SHRI MENTAY PADMANABHAM: The entire political system is in peril. This is much more dangerous than earthquake. The entire political system is in peril. The Government is actively engineering. The Government is actively involved in this. Some Ministers are involved in this and they are preparing statements. They are making every effort to create splits. *(Interruptions)*.

THE DEPUTY CHAIRMAN: Will you please have some sympathy where more than 1,000 people have died? The Member has made an appeal to the Government. If you want to say that you sympathise with those people in Turkey

and you want to associate yourself with this, that is all right.

SHRI MENTAY PADMANABHAM: Today the democratic system itself is in peril.

THE DEPUTY CHAIRMAN: You sympathise with them and then... *(Interruptions)*.

SHRI MENTAY PADMANABHAM: Madam, some time back the Government engineered a defection in the Shiv Sena, and the Member is sitting on the Treasury Benches.

THE DEPUTY CHAIRMAN: Please. Now the matter is earthquake. *(Interruptions)*.

SHRI MENTAY PADMANABHAM: They want to increase their strength in the Lok Sabha by this dubious method, Madam, *(Interruptions)*.

DR. G. VIJAYA MOHAN REDDY (Andhra Pradesh): They want to cheat the Indian people.*(Interruptions)*.

THE DEPUTY CHAIRMAN: I will not permit anything which happened in the Lok Sabha. We cannot talk about it. We cannot talk about it. *(Interruptions)*.

SHRIMATI RENUKA CHOWDHURY (Andhra Pradesh): It is not about what is happening in the Lok Sabha: it is waht is happening in our democratic country.

SHRI MENTAY PADMANABHAM: It is not a question of Lok Sabha. *(Interruptions)*.

THE DEPUTY CHAIRMAN: I will not permit it.

SHRI MENTAY PADMANABHAM: This House has every right to discuss it.

THE DEPUTY CHAIRMAN: No, no. Nothing happened in the other House will be discussed over here. What has happened in the other House, the Lok Sabha, is not to be discussed. *(Interruptions)*.

SHRI DIPEN GHOSH (West Bengal): It is not a question of the Lok Sabha, Madam. *(Interruptions)*.

SHRIMATI RENUKA CHOWDHURY: Madam, it is not a question of the functioning of the Lok Sabha. We are very much here.

SHRI DIPEN GHOSH: It is not a question of the Lok Sabha. *(Interruptions)*.

THE DEPUTY CHAIRMAN: Just a moment. The Leader of the House wants to say something. Just a minute. *(Interruptions)*. Mrs. Renuka Chowdhury, Please.*(Interruptions)*. आप बैठिये, Please sit down. *(Interruptions)*. Please.

THE LEADER OF THE HOUSE (SHRI S. B. CHAVAN): Madam, I would like to share the sentiments expressed by my hon. friend about the unprecedented kind of earthquake which took place in Turkey. This has nothing to do with the Telugu Desam. *(Interruptions)*.

THE DEPUTY CHAIRMAN: They are talking about the earthquake in their Party. *(Interruptions)*.

SHRI S.B. CHAVAN: The entire House will join in this and express our sympathy for the victims and do whatever we can for the assistance of Turkey.

THE LEADER OF THE OPPOSITION (SHRI S. JAIPAL REDDY): We all associate with this.

SHRI KAPIL VERMA: Madam, I request that on this issue we should send a resolution to the people of Turkey on behalf of the whole House. *(Interruptions)*

THE DEPUTY CHAIRMAN: We have never done that. There is no precedent of sending any resolution. Our sympathies are there with them, and individually, if you like, you can write to them. We feel for them, and we hope that the Government will do the best.

Now I will take up Special Mentions. Kumari Sayeeda Khatun. *(Interruptions)*.

कुमारी सईदा खातून (मध्य प्रदेश): माननीय उपसभापति महोदया।....**(व्यवधान)**

SHRI DIPEN GHOSH: Madam, what Mr. Padmanabham mentioned was in connection with a law passed by Parliament, the anti-defection law, in order to bring political morality, in order to bring political morality in our body politic. But we see that the ruling party today which had taken the initiative in getting that anti-defection law passed, is trying not to observe that law and instead they are engineering defections in political parties and groups. So, it is the concern of the entire nation.

THE DEPUTY CHAIRMAN: No, Mr. Depen Ghosh. *(Interruptions)*.

I will answer that.

SHRI DIPEN GHOSH: We want to condemn this attempt on the part of the Congress Party. *(Interruptions)*.

THE DEPUTY CHAIRMAN: Mr. Dipen Ghosh, will you please take your seat?

SHRI DIPEN GHOSH: We condemn the attempt on the part of the ruling party to engineer defections in other parties in order to gain majority in the House of Parliament. That is why we want to raise this issue. *(Interruptions)*

THE DEPUTY CHAIRMAN: Mr. Jaipal Reddy, just a minute, please. *(Interruptions)* Don't get agitated. Please take your seat. *(Interruptions)*

Just a minute. Kumari Sayeeda Khatun, one minute.

Mr. Dipen Ghosh has mentioned about it, and you also want to raise the issue. I want to be very categorical about it. Though the law was passed in both the Houses of Parliament, which is a prerequisite for passing any law, a Constitution amendment, both the Houses are independent of each other. *(Interruptions)*

I will not allow.

SHRI MENTAY PADMANABHAM: Kindly hear me.

THE DEPUTY CHAIRMAN: I won't hear you. *(Interruptions)*

SHRI S. JAIPAL REDDY: It is about the action of gross immorality the ruling party has resorted to. *(Interruptions)*

THE DEPUTY CHAIRMAN: I won't permit this.

SHRI MENTAY PADMANABHAM: This is about the subversion of democratic system in the country and how.... *(Interruptions)*

THE DEPUTY CHAIRMAN: Let the other House take it up. I am not allowing. Sit down. *(Interruptions)* I have told you. *(Interruptions)* Please have patience. There are certain norms. *(Interruptions)* Please take your seat. There is no need to get agitated.

DR. G. VIJAYA MOHAN REDDY: The Constitution is being disrespected in this House. *(Interruptions)*

THE DEPUTY CHAIRMAN: Please take your seat. I am very clear when I give my ruling. *(Interruptions)* Please, will you stop having talks among yourselves? *(Interruptions)*

MR. Narayanasamy, will you please keep quiet and let me give my ruling so that it is recorded? Now, won't hear, because I have already given my ruling after Mr. Dipen Ghosh *(Interruptions)* No. After my ruling everything is over.

SHRI MENTAY PADMANABHAM: It is arbitrary, Madam. If you are bent upon giving your ruling without hearing us, this is an arbitrary act of the Chairman.We have a right to...

THE DEPUTY CHAIRMAN: No, it is not your right. Please go back. *(Interruptions) Sit down.*

SHRI MENTAY PADMANABHAM: We have a right...*(Interruptions)*

THE DEPUTY CHAIRMAN: I will not permit you anything which is not within the rules. This is not within the rules.

SHRI MENTAY PADMANABHAM: We want your ruling after hearing us.

THE DEPUTY CHAIRMAN: What happened in the other House is not our concern. What happens in my House is not their concern. *(Interruptions)*

SHRIMATI RENUKA CHOWDHURY: We are talking about what is happening to our party.

THE DEPUTY CHAIRMAN: I don't discuss party matters in the House. I will not allow your party matters to be discussed on the floor of this House. *(Interruptions)* Now, Sayeeda Khatun. *(Interruptions)*

कुमारी सईदा खातून : मेरा स्पैशल मैंशन तो होने दीजिए... **(व्यवधान)**

THE DEPUTY CHAIRMAN: There is no point in arguing. I will not allow.

SHRI MENTAY PADMANABHAM: I accuse the Prime Minister that he is actively involved in the sordid affair of the defections.

THE DEPUTY CHAIRMAN: I will not permit. Anybody speaking without my permission is not going on record. Sayeeda Khatun. *(Interruptions)* No, you are not Sayeeda Khatun. *(Interruptions)* Mr. Ahluwalia please sit down. *(Interruptions)* Mr. Narayanasamy, please sit down. *(Interruptions)* Sayeeda Khatun, please speak. *(Interruptions)*

No, I did not say. I will not hear the leader on this matter. I will hear him on any other issue *(Interruptions)* Don't scream in the House. Please go back to your seat. *(Interruptions)* Don't behave in this manner. *(Interruptions)* Don't behave in this manner. *(Interruptions)* Don't behave in this manner. Go back to your seat. *(Interruptions)* Go back. *(Interruptions)* Look, I have never worked under pressure. You don't try to shout me down. *(Interruptions)* I will allow the Leader of the Opposition on any other issue. After my ruling that matter is closed. *(Interruptions)* I can't help it. *(Interruptions)*

कुमारी सईदा खातून: माननीय उपसभापति महोदया,...**(व्यवधान)**

THE DEPUTY CHAIRMAN: I will hear your on any other issue. *(Interruptions)* Please go back. Nothing is going on record. *(Interruptions)* Sayeeda Khatun, you please make your statement. *(Interruptions)*

कुमारी सईदा खातून: उपसभापति महोदया, मैं सूचना और प्रसारण मंत्रालय का ध्यान इस स्पैशल मैंशन के माध्यम से आकर्षित कराना चाहती हूं ...**(व्यवधान)**

THE DEPUTY CHAIRMAN: I have never worked under pressure and I am not going to work under pressure whatever you might say. You go back to your seat. *(Interruptions)* This is the way to behave standing in the well *(Interruptions)* You please go back. *(Interruptions)* I say, go back to your seat. Go back *(Interruptions)* I will not permit this. You cannot make scenes like this in the House. *(Interruptions)* Please, go back to your seat. *(Interruptions)* Go back to your seat, Please. *(Interruptions)* Go back to your seat, Please. *(Interruptions)* I say, please go back to your seat. I am not going to listen. *(Interruptions)* Please sit down. *(Interruptions)* Please sit down.

Let me again repeat it and in spite of that if the Members feel that there is no impropriety involved in it, they can do what they like. They can come and speak in the well of the House. It is their will. ...*(Interruptions)*... The convention of this House is that what happened in the other House, we don't discuss it here. ...*(Interruptions)*...

SHRI MENTAY PADMANABHAM: Madam, kindly hear me. I am not referring to what happened in the other House. I am referring to ...

THE DEPUTY CHAIRMAN: If you don't want to hear me, why should I hear you? Let him sit down. ...*(Interruptions)*... This is the way you wanted to raise this issue. If you think that it is an important issue. ...*(Interruptions)*... As the Deputy Chairman I feel this is my perception. It has always been my perception and of my predecessor that what happened in the other House is not discussed here. ...*(Interruptions)*... Don't discuss it here.

SHRI MENTAY PADMANABHAM: We are submitting that we are not referring to what happened in the other House. Without hearing us, you are giving a ruling. That is not fair.

THE DEPUTY CHAIRMAN: I know what you are talking...*(Interruptions)*...

SHRI S. JAIPAL REDDY: Madam Deputy Chairman, I agree with you that we cannot discuss in this House. ...*(Interruptions)*...

THE DEPUTY CHAIRMAN: Let him speak.

SHRI P. UPENDRA (Andhra Pradesh): My name has been mentioned. You have to permit me also to speak.

THE DEPTY CHAIRMAN: I did not hear your name at all. Since you are a Member of this House, your name might have been mentioned.

SHRI S. JAIPAL REDDY: Let me state at the outset that I agree with you that what may happen in that House should not be discussed here. I agree with you in principle. But our Members and myself are not referring to what happened in that House alone. What really happened outside the House was brought about and it was engineered through the intervention of the Ministers of the Government...*(Interruptions)*...

SOME HON. MEMBERS: No.

SHRI SURESH KALMADI: You handle your own party affairs.

SHRI S. JAIPAL REDDY: The Government was involved. The Ministers were involved. They engineered defections. This goes against the spirit of the Anti-Defection law. This goes against the spirit of...*(Interruptions)*... We are not referring to...*(Interruptions)*... We are referring to what the Government has done. We are referring to what the ruling party has done. We are referring to what the Ministers have done...*(Interruptions)* ...Madam, this is a blatant illustration of political immorality...*(Interruptions)*... recourse to.

THE DEPUTY CHAIRMAN: Mr. Jaipal Reddy, may I remind you? You have not mentioned any name of the Minister...*(Interruptions)*... Shall I tell you one more thing? There is another convention and a rule. While accusing the Ministers, you have not mentioned any name of the Minister. If you are making any allegation, you have to substantiate it. You cannot say things like that in the air. If you want to say anything, a prior notice has to be given and permission has to be sought from the Chairman.

SHRI YASHWANT SINHA (Bihar): Madam Deputy Chairman, this is not the procedure.

THE DEPUTY CHAIRMAN: Look at the Rules book.

SHRI YASHWANT SINHA: I also have the Rules book. This is not the procedure...*(Interruptions)*...

SHRI S. JAIPAL REDDY: I can name the Ministers but I am not naming them.

THE DEPUTY CHAIRMAN: Somebody named the Prime Minister. I will not permit it...*(Interruptions)*...

SHRI MENTAY PADMANABHAM: With all responsibility I have in this House, I am making this accusation against the Prime Minister. Let the Prime Minister come and say.

THE DEPUTY CHAIRMAN: Then you cannot level any allegations against the Members of the other House. *(Interruptions)*.

SHRI MENTAY PADMANABHAM:*

THE DEPUTY CHAIRMAN: That matter is closed. Kumari Sayeeda Khatun.

SHRI SUBRAMANIAN SWAMY: ....or even raising.....

THE DEPUTY CHAIRMAN: I am not permitting it.

SHRI SUBRAMANIAN SWAMY: Please listen to my point. If it is raising the question of a split *per se*, that is provided for in the law and that cannot be discussed here. But if the allegation is that two Ministers are involved.....*(Interruptions)*.

THE DEPUTY CHAIRMAN: Please let him speak. *(Interruptions)*. Let me handle it. Please sid down. Order.

SHRI SUBRAMANIAN SWAMY: If the allegation is that Ministers were engaged in this split, then a substantive motion may be presented by the people with evidence. *(Interruptions)*.

THE DEPUTY CHAIRMAN: Mr. Narayanasamy, will you please stop once at least?

SHRI SUBRAMANIAN SWAMY: I certainly consider a split as an accepted part of the law and I certainly consider it my birth-right to split the Janata Dal, for example.

SHRI PRAMOD MAHAJAN (Maharashtra): All political parties.

SHRI SUBRAMANIAN SWAMY: I am not bothered about the BJP. They are disappearing themselves. *(Interruptions)*.

THE DEPUTY CHAIRMAN: Order.

SHRI MENTAY PADMANABHAM: Mr. Swamy will one day split the Congress party.

SHRI SUBRAMANIAN SWAMY: I know that at that time, you will rise in my support.

Because a very serious allegation has been made, you should ask them to present a substantive motion with evidence. Then only you should consider it. Otherwise, you should not have this matter listened to at all.

THE DEPUTY CHAIRMAN: In any case....*(Interruptions)*. That is exactly what I said. Specially, the matter concerns the Lok Sabha. If the split is in the Lok Sabha, it concerns the Lok Sabha. There is no split in the party here.

SHRI MENTAY PADMANABHAM:*

THE DEPUTY CHAIRMAN: Mr. Mentay, may I tell you that on the floor of the House, we discuss matters of the House, Members belonging to this House; not your party or any other party.
